Home Bank Donates to Habitat for Humanity of Greater Indianapolis

Martinsville, Indiana, August 31, 2017--- Home Bank SB recently selected Habitat for Humanity of Greater Indianapolis as the recipient of \$10,000 through its community gifting program. Presentation of the check was made in conjunction with service by a team from Home Bank on HFHGI's recent build in Plainfield.

"The mission, vision, and values embraced by Habitat for Humanity are those shared by Home Bank, so we are proud to have expanded our partnership with Habitat's efforts in Hendricks County," said Lisa Arnold, senior vice president and chief operations officer at Home Bank.

In 2012, the bank's Board of Directors established its gifting program in which 10% of the organization's profits are allocated for donation to non-profits working to address challenges in our communities. A committee comprised of employees from the bank direct donation of the funds.

Home Bank SB was chartered in 1890 as a mutual institution which essentially means that it is owned by its depositors. Without private ownership or stockholders, the bank's profits are allocated entirely to its capital reserves, resulting in greater fiscal strength and resources for community support. Home Bank serves South Central Indiana with offices in Morgan, Hendricks and Johnson Counties.
