## Home Bank Donates Monies Raised by Employees

**Martinsville, Indiana, December 15, 2015---**Home Bank presented checks to support local charities as a result of monies raised by employees by wearing jeans on Fridays for 'Denim Days', selling cookbooks, recycling used printer cartridges, and participate in an internal development contest.

Employees who wore jeans during regular business hours at the bank on designated Fridays personally donated to the fund. Home Bank contributed a total of \$5,189.50 to three separate charity entities in both Morgan and Johnson counties; Habitat for Humanity, Relay for Life/American Cancer Society, and United Way. Funds were raised in hopes of providing assistance to the charities to support their efforts and their work conducted in the surrounding communities.

To accept the checks on behalf of their charities were Ann Painter of Habitat for Humanity of Morgan County, Lee Ann Wilber of Habitat for Humanity of Johnson County, Kristinia Love of Relay for Life in Morgan County, Lindsey Houston with American Cancer Society of Greenwood, Diana Roy and Kevin Lollar of the United Way of Central Indiana, and Nancy Plake of United Way of Johnson County.

Home Bank SB was chartered in 1890 as a mutual institution which essentially means that it is owned by its depositors. Without private ownership or stockholders, the bank's profits are allocated entirely to its capital reserves, resulting in greater fiscal strength and resources for community support.
