## Home Bank Mortgage Center Opens in Greencastle

**Martinsville, Indiana, February 26, 2016---**Home Bank SB recently opened a Mortgage Loan Center at 16 South Jackson Street, Suite 1B in Greencastle. David Taylor, a mortgage loan officer at Home Bank since July 2015, will be the sole officer serving the Putnam County area at this location. His responsibilities include serving the loan needs of Putnam and surrounding counties, building and maintaining relationships in the area, facilitating business development in the market.

Taylor has been in the banking industry for over 25 years, focused mostly in national banking as a loan officer/credit analyst managing commercial, real estate, and consumer lending portfolios before coming to Home Bank. He also has experience in the ag-consumer field where he was responsible for growth and development of loan portfolios including, but not limited to, construction, purchase money and refinancing

Taylor is a Greencastle native and attended Greencastle Senior High School before obtaining his bachelor degree in English literature at DePauw University. In his spare time, he enjoys serving on the board of trustees for the Putnam County Public Library and spending time with his friends and family.

Home Bank SB was chartered in 1890 as a mutual institution which essentially means that it is owned by its depositors. Without private ownership or stockholders, the bank's profits are allocated entirely to its capital reserves, resulting in greater fiscal strength and resources for community support.
