

## **Invitation to Nominate Candidates for the Home Bank SB 2021 Kris Gill Servant Leadership Award**

Servant leadership is a philosophy and set of practices that enriches the lives of individuals, builds better organizations and ultimately creates a more just and caring world

*“The servant-leader is servant first... It begins with the natural feeling that one wants to serve, to serve first. A servant-leader focuses primarily on the growth and well-being of people and the communities to which they belong. While traditional leadership generally involves the accumulation and exercise of power by one at the “top of the pyramid,” servant leadership is different. The servant-leader shares power, puts the needs of others first and helps people develop and perform as highly as possible.” –Robert K. Greenleaf*

Kris Gill is a lifelong resident of Morgan County. She is a devoted wife and loving mother of two sons. Kris has been an employee of Home Bank since 1989, serving primarily in the loan servicing department. Her loyalty and hard work show through in every way in her job. She stands out among her family and friends for her dedication and hard work to the causes that are near and dear to her heart. Aside from being a great employee, wife, mother, friend, and daughter, Kris is the definition of a servant leader. She serves first, aspires to lead, puts other’s needs above her own, focuses on the growth and well-being of her community, and goes above and beyond the call of duty in all areas of her life.

Home Bank SB will present the 2021 Annual Kris Gill Servant Leadership Award October 5th, 2021 to a qualified individual and a donation in the amount of \$5,000.00 will be made to a 501(c)3 organization of their choice on October 5th, 2021 at 6:30pm at the Brickhouse on Main in Martinsville.
